

Quincy Catholic Academy Parent Association

October 2015

Dear Parents,

On behalf of the Quincy Catholic Academy Parent Association, welcome back. For those of you who are new to the school, the Parent Association organizes a number of the family and student activities at the school. Some of our events include the Halloween party, QCA float in the Quincy Thanksgiving parade, Field Day and the Enrichment Programs run throughout the school year.

We are always looking for new people to get involved. There are many opportunities to volunteer and even chair events. There are 5 meetings during the school year, dates will be announced in the weekly newsletter and all are invited to attend. Meetings are a great opportunity to meet new people and get involved in school activities.

All of the students benefit from the events we chair. Many of the events do cost money to run. Last year we had a Storyteller/Musician to entertain the lower grades (\$950.00), the New England Wildlife Association discussed Birds of Prey with grades 3-5 (\$700.00) and an interactive computer animation program (\$900.00) was brought in for the Middle School. These programs are important to the students and are a great way to enhance learning.

At this time we would like to suggest a minimum \$10.00 donation per family so that we can get our programs started. Checks should be made out to the QCA Parent Association and turned in no later than November 6, 2015. Thank you in advance. We are looking forward to another great year. If you have any questions please contact Parent Association President, Tracy Rixham at trixham@verizon.net.

Sincerely,

The QCA Parent Association
