

Dear Parents/Guardians,

Summer is quickly approaching! If you have not yet made arrangements for summer camp for your children, we are now accepting registrations for our program here at Quincy Catholic Academy. QCA accepts students ages 3 and up from QCA and other local schools. If your child is not yet 3 years of age but will be by the start of school (August 31st), they may attend the summer program.

OUR SUMMER CAMP

This camp will start on Monday, June 19th and will run through Friday, August 11th. No program will be held on Monday, July 3rd and Tuesday, July 4th. Camp is held in Quincy Catholic Academy's air conditioned lower level classrooms. QCA summer program will include assorted educational classes. Each child will receive a workbook for use during our morning educational hours. If your child has summer reading, they are encouraged to do their reading during the summer program and teachers will be present to help complete their book reports. Physical activities, group games, science experiments, computer lab and outdoor and indoor play will fill the remainder of your child's day.

MINI CAMPS

We will again be offering mini camps! Please see the attached information and registration form for these camps to learn more about the camp's dates and costs.

NEW TO THE SCHOOL?

Sign your child up today so they feel comfortable in September! They will meet some of our QCA teachers and students while making new friends for the upcoming school year. Many of the teachers that your child will see during the school year work for the summer program. Our camp counselors are college students or college graduates interested in educational fields.

LUNCH PROGRAM

Lunch will be offered for students who will be attending for a full day of camp. Check out the attached order form for pricing and lunch selections.

If you have any questions, please do not hesitate to contact us at (617) 328-3830.

Sincerely,

Teresa King – Summer Program
