

Accessing ParentsWeb

RenWeb School Management Software gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

RenWeb's ParentsWeb is a private and secure parents' portal that will allow parents to view academic information specific to their children, while protecting their children's information from others. You may view your child's grades, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

- Make sure that the school has your email address in RenWeb. Please use the email address from which you receive the weekly memo.
- In Internet Explorer, Firefox, or Safari, go to www.renweb.com and click **LOG IN** in the top right hand corner followed by **ParentsWeb Login**
- Click **Create New ParentsWeb Account**.
- Type the school's **District Code: QC-MA**
- Type your email address and click **Create Account**. An email will be sent which includes a link to create your ParentsWeb login. The link is active for 6 hours.

When you open the email from RenWeb

- Select the **Click to Create your ParentsWeb login** link.
- A web browser displays your **Name** and RenWeb **Person ID**.
- Type a **User Name, Password, and Confirm** the password.
- Click **Save User Name and/or Password**.
A message displays at the top of the browser, "**User Name/Password successfully updated.**"

You may now log in to ParentsWeb from the homepage of renweb.com
