

Dear Parents/Guardians,

Summer is quickly approaching! If you have not yet planned for summer programs for your children, we are now accepting registrations for our program here at Quincy Catholic Academy. QCA accepts students from ages 3 and up from QCA and other local schools. If your child is not yet 3 years of age but will be by the start of school (August 31st), they may attend the summer program if they are registered for our PreK. Children must be potty trained. Vouchers are accepted.

OUR SUMMER PROGRAM

This program will start on Monday, June 17th and run through Friday, August 9th. There will be NO program on Thursday, July 4th and Friday, July 5th. The program is held at QCA's air-conditioned lower level classrooms. QCA summer program will include assorted educational classes using summer workbooks. Each child will receive a workbook for use during our morning hours. If your child has summer reading, they are encouraged to do their reading. Teachers will be present to help complete their book reports during this time. Physical activities, group games, science experiments, computer and fun free outdoor and indoor play will fill the remainder of your child's day.

NEW TO THE SCHOOL?

Sign your child up today so they feel comfortable in September. They will meet some of our QCA teachers, students, and make friends for their upcoming school year. Many of the teachers that your child will see during the school year, work for the summer program. Our camp counselors are college students or college graduates interested in educational fields.

LUNCH PROGRAM

We will be offering a lunch program for our Full Day students. Cost is: \$5.25 per day. More information regarding menu selection will be forthcoming.
