

MR. KELLY'S FRIDAY NEWSLETTER

JANUARY 5, 2024

Dear QCA Families:

Happy New Year! I love new beginnings. The idea of a clean slate gives way to such great possibilities. I take comfort in Jesus' words, "Start each day anew with Me." More than seeing the new year as a time of *resolution*, why not look at it as an *opportunity for growth*. God knows there are many areas of our lives that could use a little renovation (using our time more efficiently, improving our health and diet habits, committing to more reading, to name a few). However, there is no more important decision to make than a commitment to our own spiritual life.

I strongly believe that everything in our lives falls into place when we are willing to put God at its center. As we grow in our walk with the Lord, we are called to a deeper level of commitment. It no longer is enough to live *with* Christ occasionally in our lives; we need rather to live constantly *in* Christ, putting Him first in all we say and do.

My prayer for us all is that we *live each day with Christ at the heart of our lives, not as simply a part of our lives*. In doing so, we will be part of the greatest gift to ourselves, to our children and, indeed, to our world. May 2024 be filled with God's richest blessings for you and your families.

God bless!
Mr. Kelly
