“\$500 Referral Thank You Program” – Families who refer a student (entering grades kindergarten (K-2) through Grade 8) for the **2026-2027** academic year may be eligible to receive a \$500 Tuition Credit (see reverse for details).

Financial Aid is available to students entering kindergarten (K2) through grade 8, and any interested family may apply. Please sign onto your FACTS account to complete the application. Eligible applicants may qualify for generous Catholic Schools Foundation funding, which is guaranteed aid that follows students every year, all the way through graduation, with annual reapplication. Financial aid is available on a rolling basis for new students. The first round of funding will be distributed in the spring, and it is available on a first-come, first-served basis until all funds are depleted (typically mid-summer).

State Childcare Vouchers are accepted for Preschool, K-1 and K-2, and **for all grades** for the Summer Program and Extended Day Program. Any interested families must apply directly through Community Care for Kids. Please call (617) 657-5305 for more information.

Referral Thank You Program

Each year, Quincy Catholic Academy is honored to welcome new families to our school community, many of whom are personally referred to us by you, our QCA families.

Through our “Referral Thank You Program,” your family can receive a **\$500 tuition credit** for referring a new family to QCA.

Here’s how it works:

- The referral program is open to all families with students currently enrolled at Quincy Catholic Academy.
- The referral family must be identified by the new family when the application is submitted (specifically the “How did you hear about us?” question on the application).
- Only one family can be designated as the referral family.
- The new family cannot have any siblings currently or previously enrolled at Quincy Catholic Academy nor can they already be identified as a prospective family.
- The new family must have at least one student in grades K2 through 8.
- Approval of the new student(s) is not guaranteed.

Tuition Credit

- The tuition credit will be applied to the final tuition payment in April, after the new student(s) starts school.
- Both the referral and new families must be enrolled at the time the tuition credit is applied.
- Tuition credits will not be paid in cash, nor can they be applied to other fees.
- The maximum amount of tuition credit a family can receive is equivalent to the amount of tuition billed for that year (e.g., a family paying \$6,000 in tuition may receive \$6,000 in discounts for any given year, equivalent to twelve family referrals).

Please note: Families with full vouchers covering the cost of tuition are ineligible for the referral discount, per state guidelines.

The Quincy Catholic Academy “Referral Thank You Program” is subject to review and modification and may be suspended at any time. Interpretation of the program parameters will be at the discretion of the Principal.

Effective Date: January 2024
